Microsoft Student Chapter -ABESIT Club

Public Relations Lead

Nov 2022 - Present

- Develop and execute comprehensive marketing strategies and campaigns that align with the Club goals and objectives.
- Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.

PROJECTS

• NAGAR SARTHI - AI WEBSITE FOR MUNICIPALITY

NAGAR SARTHI is a website where citizens can report local infrastructure issues to municipalities by uploading images. Users can track complaint status, bypassing traditional processes for faster resolution of problems like road damage, streetlight outages, and sewage concerns.

<https://github.com/rohitsingh075/Nagar-Sarthi>

• GovSync - AI WEBSITE FOR SMART CITIES MISSION

GovSync is Website designed to establish a **Interdepartmental Cooperation and Coordination** b/w the departments of different authorities under **Smart Cities Mission** such that there is no interference of other departments working on same site.

- It allows **Sharing of Data & Resources** through a common portal as well as conduct **Meetings and Seminars to share Technology and Expertise** .
- It reduces delays , disrupts, public inconvenience and saves resources .
